Declaration on Export Restrictions, Customs Tariff Number, Origin of the Goods and Preferences

Note: This is not a substitute for issuing supplier's declarations and documents of origin!

Supplier:
Supplier reference no:
Bilfinger reference no:

Contact person:
Delivery note number: **...**

The export/re-export of the goods (merchandise, software, technology) included in the above-mentioned order may be subject to restrictions imposed by German (GE-), European (EU-), US-American (US-) or Chinese (CN-) law. Therefore, the following declaration is required. In addition, information on the customs tariff number, on the origin of the goods and on preferences is required for exports.

The information requested below is part of the order and must be provided to the purchaser without delay. It is not necessary to fill in this form if all of the details can be provided directly in order confirmations, invoices or delivery documents.

Material specifications			**Customs clearance information**			**Goods-specific export licence requirement according to:**					
Suppliers material no. (Delivery item)	Bilfinger material number (Order item)	Customary short description of the material	Customs tariff number[1] (8 digits)	Country of origin[2]	Prefe-rence?[3] (Y/N)	EU-/GE law? Only for European origin (Y/N)	if "Y" then indicate export list no. (5 digits)	CN-law? Only for Chinese origin (Y/N)	if "Y" then indicate Chinese export list number as soon as published	US-law? Only for US origin (Y/N)	if "Y" then indicate ECCN number[4] (5 digits)
