**New orders in facility services:  
Bilfinger Berger signs service agreements with WestLB, AXA and IVG**

Bilfinger Berger Facility Services has signed agreements with Westdeutsche Landesbank, AXA Group and the IVG Group with a total volume of €70 million.

On behalf of WestLB, Bilfinger Berger has taken over management of the WestFonds real-estate fund. The AXA Group has commissioned Bilfinger Berger with the management of over 140 real-estate properties and a total surface area of one million square meters. For IVG, Bilfinger Berger will manage more than 200 properties with a total surface area of about two million square meters. Contract periods are between five and eight years.

Bilfinger Berger is the largest full-service provider of integrated facility services in Germany. In addition to complex technical real-estate services, the focus of the company's activities is on commercial services such as asset, property and center management for entire real-estate portfolios. In 2009, the facility services business contributed more than €1.3 billion to the output volume of the Bilfinger Berger Group.

---

*Bilfinger Berger generates an output volume of over €10 billion with 60,000 employees around the globe. The Group is a leading provider of services for industrial facilities, power plants and buildings. Bilfinger Berger also designs and builds major infrastructure projects and offers its clients a comprehensive range of services covering all phases in the lifecycle of real-estate properties. In addition, the Group acts as private partner to the public sector, developing transport and social infrastructure on the basis of long-term concession contracts.*
