4. Appendix

## Outlook FY 2011

- Output volume and EBIT at least on prior-year level  
(FY 2010: € 8.1 billion and € 343 million)
- Substantial increase in net profit due to capital gain from sale of Valemus Australia of  
approximately € 160 million  
(FY 2010: € 284 million)

## Further transformation picking up pace

- Limitation of volume in construction with clear regional focus and stringent risk profile
- Sale of Valemus Australia accomplished in March 2011  
Net cash inflow of more than € 500 million
- Intention to reduce Nigerian activities

Services business as % of Group output volume

## Acquisition strategy

- Financial scope of at least € 1 billion
- Continuous market screening for potential acquisitions in services
- All three services segments are target areas, with priority on Industrial and Power Services
- Industrial Services: regional expansion including emerging markets  
Power Services: regional expansion including emerging markets and technical expansion  
Facility Services: regional expansion with focus on Europe
- Acquisition criteria unchanged:  
Strategic fit, good management available  
ROCE > WACC and earnings accretive from the first full year

## Key strategic objectives
