3m 2012: Highlights

-  Growth in output volume and orders received
-  Substantial rise in earnings due to capital gains from sale of concession projects and stake in Julius Berger Nigeria
-  Positive outlook for 2012 confirmed
-  Takeover of Tebodin, an internationally-active engineering specialist
-  Joint venture with Tyazhmash, a leading Russian power plant outfitter
-  Group name to be changed to “Bilfinger SE” and new brand architecture
-  Change of sector classification to “Services” (GICs and Deutsche Börse already confirmed)

Outlook FY 2012 confirmed

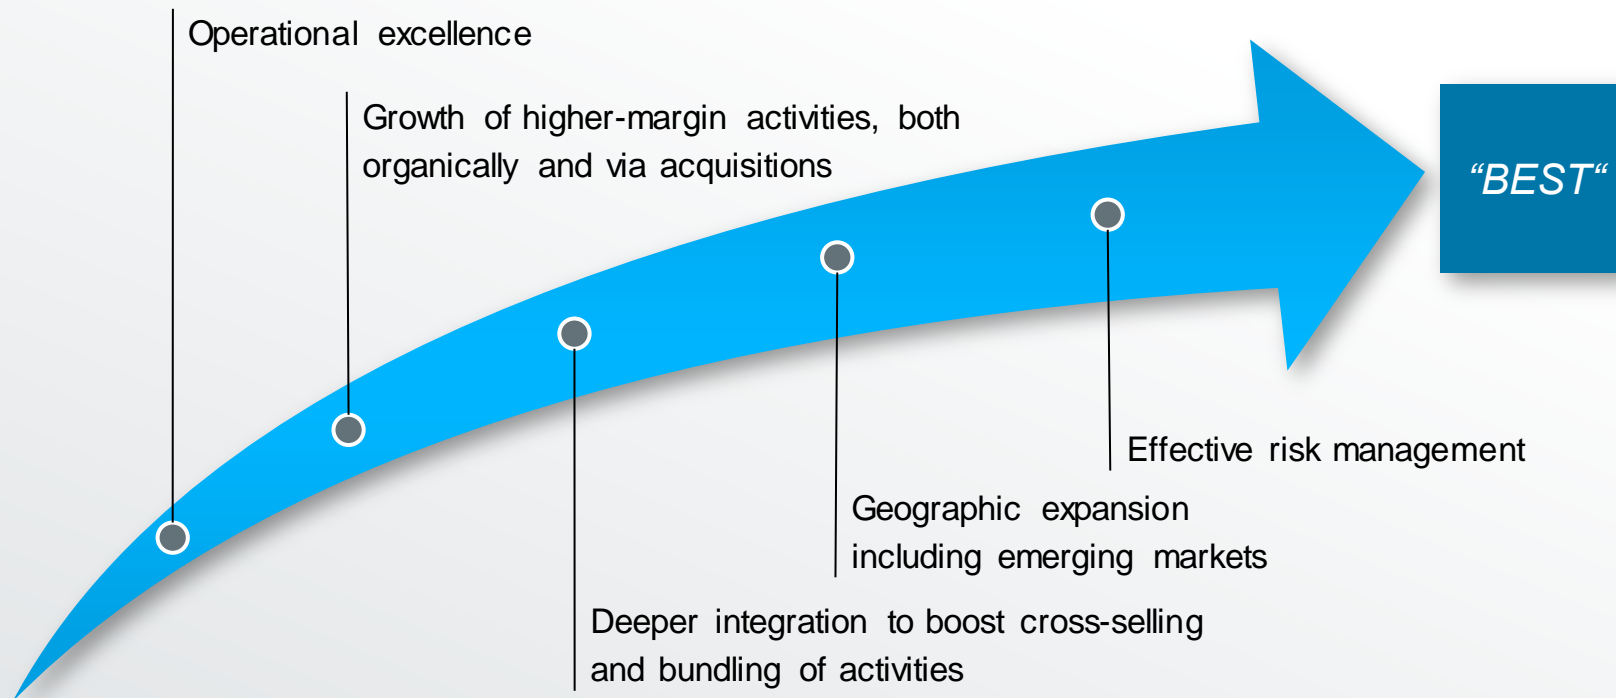

- Output volume – excluding the effects of further acquisitions – will decrease as a result of focusing in Construction and deconsolidation of Nigerian business
FY 2011: €8,476 million
- Increasing margins and capital gains from sale of concession projects and Nigerian activities will lead to a significant increase in EBITA
FY 2011: €397 million
- Net profit from continuing operations to be substantially higher than in FY 2011
FY 2011: €220 million

Strategic program

“BEST – Bilfinger Berger escalates strength“

Growth strategy:

External growth

Industrial Services:

- Regional expansion: Europe, Asia (esp. India), Turkey, Middle East and USA
- Oil and Gas sector; E, I & C

Building and Facility Services:

- German targets only with potential for sustainable, high margins
- Gain critical mass in selected European countries

Power Services:

- Regional expansion: Middle East, Russia and India
- Strengthening of engineering know-how
- Market entry in renewable sector (e.g. solar thermal energy, wind park maintenance)

Construction:

- Smaller acquisitions to support growth in new higher-margin activities

Financial capacity for acquisitions of more than € 1 billion
Maintain M&A discipline: Earnings accretion and ROCE > WACC

Recent achievements

Takeover of Tebodin, an internationally-active engineering specialist, closed in April 2012:

- One of the leading European providers of consulting and engineering services
- Output volume 2012: €225 million, EBITA margin: a good 7%, 3,200 employees
- Enterprise value: €145 million
- Geographical footprint:
Benelux, Central and Eastern Europe, Middle East and Asia-Pacific
- Client list includes more than 150 renowned international companies in process industry, primarily in the oil and gas sector

Joint venture with Tyazhmash, a leading Russian power plant outfitter

- Seizing opportunities in the required modernization of the Russian power plant network
- Complementary offering

Further reduction of investments in Nigerian business

- Agreement signed with Julius Berger Nigeria PLC (JBN) to sell 90% of our interest in Julius Berger International (engineering and services activities of Bilfinger Berger Nigeria) in two steps:
 - Sale of 60 percent, to take effect end of June 2012
 - Sale of 30 percent, to take effect end of 2012
 - 2011 output volume: €350 million
- In addition investment in JBN has been reduced from 49.9% to 39.9%:
 - Net proceeds of €22 million, capital gain of €18 million
 - Sale has been completed in February 2012
 - Stake in JBN will be gradually reduced further

Construction

Strategic focus on energy and mobility

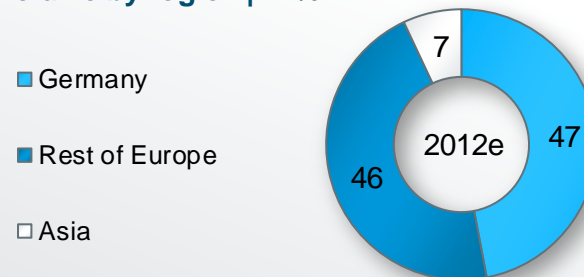

Markets and highlights Q1

- Output volume and high order backlog reduced as planned
- Two major transport infrastructure orders in Berlin
- Joint venture established for the production of steel foundations for offshore wind parks
- Increase in demand in European energy sector expected

Outlook 2012

- Output volume will reach target size after completion of a major project
- Further increase in EBITA margin

This presentation has been produced for support of oral information purposes only and contains forward-looking statements which involve risks and uncertainties. Forward-looking statements are statements that are not historical facts, including statements about our beliefs and expectations. Such statements made within this document are based on plans, estimates and projections as they are currently available to Bilfinger Berger SE. Forward-looking statements are therefore valid only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events. Apart from this, a number of important factors could therefore cause actual results to differ materially from those contained in any forward-looking statement. Such factors include the conditions in worldwide financial markets as well as the factors that derive from any change in worldwide economic development.

This document does not constitute any form of offer or invitation to subscribe for or purchase any securities. In addition, the shares of Bilfinger Berger SE have not been registered under United States Securities Law and may not be offered, sold or delivered within the United States or to U.S. persons absent registration under or an applicable exemption from the registration requirements of the United States Securities Law.
