Authorization of the Executive Board with regard to the buy-back and issue of shares

In February 2008, the Executive Board, with the consent of the Supervisory Board and on the basis of the authorization granted by the Annual General Meeting of May 23, 2007, bought back 1,884,000 shares through the stock exchange at an average price of €53.07 per share. Of this amount, a total of 48,682 shares were issued in financial years 2013 and 2014 and a further 10,935 in the reporting year as part of employee share programs. Afterwards, the company holds 1,824,383 treasury shares; this corresponds to 3.96 percent of the current voting rights.

The company has no rights from these treasury shares (Section 71 b AktG). In accordance with the resolution of May 23, 2007, the Executive Board can sell these shares through the stock exchange, offer them for sale to shareholders under consideration of the principle of equal treatment, use them within the scope of corporate mergers or acquisitions or for the fulfillment of conversion and option rights or recall them without any further resolution by an Annual General Meeting. The Annual General Meeting held on April 18, 2013 authorized the Executive Board, among other things, to offer these treasury shares for sale or to pledge / transfer them, with the approval of the Supervisory Board, to employees of Bilfinger SE and subordinated subsidiary companies as well as to the management of subordinated subsidiary companies; this also includes authorization to offer the shares for sale under other special conditions or to pledge / transfer them at no cost. The Annual General Meeting of May 7, 2015 also authorized the Supervisory Board to use the shares to meet the rights of members of the Executive Board to the granting of shares of Bilfinger SE which the Supervisory Board had granted as part of Executive Board remuneration.

The Annual General Meeting of May 7, 2015 canceled the authorization from the Annual General Meeting of April 18, 2013 to acquire the company's own shares; the authorizations in the resolution of the Annual General Meeting of April 18, 2013 on the use of the company's own shares are not affected. It authorized the Executive Board, with the consent of the Supervisory Board, to acquire the company's own shares until May 6, 2020 in an amount of €13,807,238 of the current share capital under the condition that the shares to be acquired on the basis of this authorization, together with other shares held by the company which the company has already acquired and which are still in its possession or attributable to the company in accordance with Sections 71 d and 71 e of the AktG, at no time exceed 10 percent of the share capital. Furthermore, the requirements of Section 71 Subsection 2 Sentences 2 and 3 AktG are also to be observed. The acquisition may not be used for the purpose of trading in treasury shares.

Acquisition is to take place in accordance with the principle of equal treatment (Section 53 a AktG) through the stock exchange or by means of a public offer to buy addressed to all shareholders. In the case of acquisition through the stock exchange, the price paid (excluding incidental costs) may not be more than 10 percent higher or 10 percent lower

than the stock-exchange price of the company's shares resulting from the opening auction in XETRA trading of Deutsche Börse AG (or a comparable successor system). With a public offer to buy, the price offered (excluding incidental costs) may not be more than 10 percent higher or 10 percent lower than the average stock-exchange price of Bilfinger shares on the last three days of stock-exchange trading before the day the offer is made public, calculated on the basis of the arithmetical average of the price of Bilfinger shares in the closing auction of XETRA trading of Deutsche Börse AG (or a comparable successor system).

Shares acquired on the basis of this authorization may be offered to all shareholders with consideration of the principle of equal treatment or sold through the stock exchange. With the approval of the Supervisory Board, they may also be disposed of by sale or otherwise if the shares are sold in exchange for cash at a price not substantially below their average stock market price on the last three trading days before determination of the final selling price by the Executive Board. This authorization is limited to a total of 10 percent of the share capital of the company at the time of the resolution of the Annual General Meeting on May 7, 2015 or – if lower – 10 percent of the company's share capital at the time of disposal of the shares. The authorized volume is reduced by the proportionate part of the share capital which is attributable to the shares or to which conversion and / or option rights or obligations in connection with bonds relate which were issued or sold, subject to an exclusion of subscription rights, on or after May 7, 2015 pursuant to Section 186 Subsection 3 Sentence 4 AktG either directly, analogously or mutatis mutandis. The shares may also be used within the scope of corporate mergers or acquisitions or the purchase of assets associated with such mergers or acquisitions, recalled without any further resolution by the Annual General Meeting, or used for the fulfillment of conversion and / or option rights or obligations under bonds. These treasury shares may also be offered for sale or to pledge / transfer them, with the approval of the Supervisory Board, to employees of Bilfinger SE and subordinated subsidiary companies as well as to the management of subordinated subsidiary companies; this also includes authorization to offer the shares for sale under other special conditions or to pledge / transfer them at no cost.

The Annual General Meeting of May 7, 2015 also authorized the Supervisory Board to use treasury shares that are acquired as a result of this authorization or which were acquired as a result of a previous authorization to meet the rights of members of the Executive Board to the granting of shares of Bilfinger SE which the Supervisory Board had granted as part of Executive Board remuneration.

Such issue of new shares may be ef-

affected against cash or non-cash contributions. The new shares are to be offered to the shareholders for subscription. An indirect subscription right within the meaning of Section 186 Subsection 5 of the AktG shall suffice in this context. Limited to new shares representing a total proportionate amount of the share capital of up to €27,600,000 and subject to the consent of the Supervisory Board, the Executive Board is authorized to exclude shareholders' statutory subscription rights under the conditions specified in the authorization resolution with the issue of new shares in cases of fractional amounts, to grant subscription rights to holders of conversion and / or option rights issued by the company or by a company of the Group, or to carry out capital increases against cash and / or non-cash contributions.

Conditional capital

By resolution of the Annual General Meeting of April 18, 2013, the share capital was conditionally increased by up to €13,807,236 through the issue of up to 4,602,412 new bearer shares representing a proportionate amount of the share capital of €3.00 per share (Conditional Capital 2013). The conditional capital increase serves to grant shares to holders of conversion or option rights upon the execution of such rights, or to fulfill conversion or option obligations under convertible bonds or bonds with warrants which, in accordance with the authorization granted by the Annual General Meeting on April 18, 2013, are issued and / or guaranteed by the company or by a company of the Group until April 17, 2018.

The conditional capital increase will only be carried out to the extent that holders of bonds make use of their conversion and / or option rights or fulfill their obligations to exercise conversions / options, and the conditional capital is required for this purpose. The new shares participate in profits from the beginning of the financial year in which they are issued as a result of the exercise of conversion or option rights or the fulfillment of conversion or option obligations.
