

Declaration on Export Restrictions, Customs Tariff Number, Origin of the Goods and Preferences

Note: This is not a substitute for issuing supplier's declarations and documents of origin!

Supplier:

Contact person:

Supplier reference no:

Delivery note number:

Bilfinger reference no:

The export/re-export of the goods (merchandise, software, technology) included in the above-mentioned order may be subject to restrictions imposed by Austria (AT-), European (EU-), US-American (US-) or Chinese (CN-) law. Therefore, the following declaration is required. In addition, information on the customs tariff number, on the origin of the goods and on preferences is required for exports.

The information requested below is part of the order and must be provided to the purchaser without delay. It is not necessary to fill in this form if all of the details can be provided directly in order confirmations, invoices or delivery documents.

Material specifications			Customs clearance information			Goods-specific export licence requirement according to:					
Suppliers material no. (Delivery item)	Bilfinger material number (Order item)	Customary short description of the material	Customs tariff number ¹⁾ (8 digits)	Country of origin ²⁾	Preference ³⁾ (Y/N)	EU-/AT law? Only for European origin (Y/N)	if "Y" then indicate export list no. (5 digits)	CN-law? Only for Chinese origin (Y/N)	if "Y" then indicate Chinese export list number as soon as published	US-law? Only for US origin (Y/N)	if "Y" then indicate ECCN number ⁴⁾ (5 digits)

1) External suppliers outside the EU: Number under combined nomenclature (HS code, at least 6 digits)
 2) 2-digit country code, if necessary to be documented by certificate of origin issued by the Chamber of Industry and Commerce (IHK).
 3) If "Y", then enclose supplier's declaration with preference information for each country.
 4) Export Control Classification Number under EAR (US law)
