Declaration regarding export restrictions

Supplier:		Contact person:	
Supplier reference no:		Shipping note number:	
Bilfinger reference no.:			

Export /re-export of the goods (hardware, software and technologies) included in the above offer/order may be subject to restrictions imposed by EU-, German or US export regulations. Therefore the following explanation is needed. Additionally required for exports are customs tariff number, country of origin and the preferential origin.

This declaration is an integral part of the offer/order and shall be completed and returned by the contractor, at the latest, together with confirmation of order. General notes made in offers, confirmation of order, invoices or shipping documents do not constitute compliance with the requirements of applicable regulations.

Goods-specific export license requirements for the individual order items are as follows:

Information of material		Goods-specifical export restrictions						
Suppliers material no.	Description of material	EU-/DE export-regulations **Y/N**	If "Y" than export list no. (5 characters)	US export-regulations **Y/N**	If "Y" than ECCN [1] (5 characters)	HS-code or statistical index [2] (8 characters)	Country Code of origin (2 characters)	Preferential origin **Y/N** [3]

[1] Export control classification number
[2] Supplier outside the EU: (HS-code, 6 characters)
[3] If "Y", than suppliers declaration with preferential origin, if „N“ than declaration of origin or, if mentioned in order: certificate of origin.
