Bilfinger to be included in the STOXX Europe 600 index

Frankfurt, Germany. The international industrial services provider Bilfinger will be included in the European stock index STOXX Europe 600 as of June 23, 2025. This announcement was made on Monday evening by STOXX Ltd., a subsidiary of Deutsche Börse and index provider.

Bilfinger is an international industrial services provider. The aim of the Group's activities is to increase the efficiency and sustainability of customers in the process industry and to establish itself as the number one partner in the market for this purpose. Bilfinger's comprehensive portfolio covers the entire value chain from consulting, engineering, manufacturing, assembly, maintenance and plant expansion to turnarounds and digital applications.

The company delivers its services in two service lines: Engineering & Maintenance and Technologies. Bilfinger is primarily active in Europe, North America and the Middle East. Process industry customers come from sectors that include chemicals & petrochemicals, energy, oil & gas and pharma & biopharma. With over 30,000 employees, Bilfinger upholds the highest standards of safety and quality and generated revenue of more than €5 billion in financial year 2024. To achieve its goals, Bilfinger has identified two strategic levers: positioning itself as a leader in increasing efficiency and sustainability and driving operational excellence to improve organizational performance
