Jürgen Sarrazin to celebrate his 75th birthday

Jürgen Sarrazin, who served as Chairman of the Supervisory Board at Bilfinger Berger from 1985 to 1998, celebrates his 75th birthday on March 21, 2011.

The former Chairman of the Supervisory Board, together with the former Chairman of the Executive Board Dr. Christian Roth, played a key role in shaping the Company's era of internationalization. He was also instrumental in developing new markets which had opened up in the course of German reunification and the opening of Central and Eastern Europe. Forward-looking decisions made in the thirteen years Jürgen Sarrazin was in office created a sustainable foundation for the successful development of Bilfinger Berger.
