Bilfinger donates USD 25,000 to American Red Cross

Bilfinger is providing financial support to the American Red Cross in the amount of USD 25,000. The donation is intended for reconstruction aid following Hurricane Harvey in Texas and will help those affected by the storm. North America is one of Bilfinger's four core regions. Headquarters of the US Holding is in Houston, Texas. Bilfinger employs upward of 3,500 people in the USA.

"Our thoughts are with the people and our colleagues in Houston. The American Red Cross is making an enormous contribution to alleviating the suffering of those hit hardest by Hurricane Harvey. We greatly appreciate the work they are doing and would also like to do our part", says Terrance N. Ivers, Executive President of Bilfinger's North America region.

Bilfinger is a leading international industrial services provider. The Group enhances the efficiency of assets, ensures a high level of availability and reduces maintenance costs. The portfolio covers the entire value chain from consulting, engineering, manufacturing, assembly, maintenance, plant expansion as well as turnarounds and also includes environmental technologies and digital applications.

The company delivers its services in two business segments: Engineering and Technologies and Maintenance, Modifications & Operations. Bilfinger is primarily active in the regions Continental Europe, Northwest Europe, North America and the Middle East. Process industry customers come from sectors that include chemicals & petrochem, energy & utilities, oil & gas, pharma & biopharma, metallurgy and cement. With its 37,000 employees, Bilfinger upholds the highest standards of safety and quality and generated an output volume of about €4.2 billion in financial year 2016.
