Bilfinger SE cancels Annual General Meeting

In view of the spread of the coronavirus (SARS-CoV-2) and the resulting official regulations, Bilfinger SE is cancelling its Annual General Meeting convened for April 23, 2020 in Mannheim.

The Company aims to hold the Annual General Meeting within the legally prescribed period of six months after the beginning of the 2020 financial year. In this respect, the protection of the health of shareholders, employees and the service providers involved is given the highest priority. A future date therefore depends on the further course of the wave of infection and the preventive measures taken by the authorities.

Bilfinger is a leading international industrial services provider. The Group enhances the efficiency of assets, ensures a high level of availability and reduces maintenance costs. The portfolio covers the entire value chain from consulting, engineering, manufacturing, assembly, maintenance and plant expansion to turnarounds and also includes environmental technologies and digital applications.

The company delivers its services in two service lines: Engineering & Maintenance and Technologies. Bilfinger is primarily active in Europe, North America and the Middle East. Process industry customers come from sectors that include chemicals & petrochemicals, energy & utilities, oil & gas, pharma & biopharma, metallurgy and cement. With its 34,000 employees, Bilfinger upholds the highest standards of safety and quality and generated revenues of €4.327 billion in financial year 2019.
