

BILFINGER

Press Release

July 7, 2022

Marion Sommerwerck new Head of Corporate Communications & Public Affairs at Bilfinger SE as of September

Mannheim. Marion Sommerwerck will take over as Head of Corporate Communications & Public Affairs at industrial services provider Bilfinger SE on September 01, 2022. In this responsibility, she will report directly to Group CEO Dr. Thomas Schulz. Previously, Ms. Sommerwerck was Head of Communications at Munich-based KraussMaffei.

"We are delighted to have Marion Sommerwerck join Bilfinger in this important role," says Group CEO Dr. Thomas Schulz. "Ms. Sommerwerck is a recognized communications expert and a strong leader. With her many years of experience, she will provide communications support for Bilfinger's growth strategy toward becoming the number one industrial services provider."

Marion Sommerwerck has many years of experience in the areas of communications and marketing as well as public relations and was most recently Vice President Corporate Communications at the KraussMaffei Group in Munich. Prior to that, she was responsible for this area at Weidmüller, A.T. Kearney and the Handelsblatt publishing group, among others.

"With its technology solutions and expertise, Bilfinger has enormous potential to play an active role in shaping the energy transition in the industry. I am delighted to be able to contribute my experience to providing communications support on these important issues," says Marion Sommerwerck.

Ms. Sommerwerck takes over these duties from Hubertus Spethmann, who led the division on an interim basis from February to June 2022.

Bilfinger is an international industrial services provider. The Group aims to enhance the efficiency of assets, ensure a high level of availability, reduce emissions and lower maintenance costs. Creating sustainable production processes for customers is becoming increasingly important. Bilfinger's portfolio covers the entire value chain from consulting, engineering, manufacturing, assembly, maintenance and plant expansion to turnarounds and also includes environmental technologies and digital applications.

The company delivers its services in two service lines: Engineering & Maintenance and Technologies. Bilfinger is primarily active in Europe, North America and the Middle East. Process industry customers come from sectors that include chemicals & petrochemicals, energy & utilities, oil & gas, pharma & biopharma, metallurgy and cement. With its ~ 30,000 employees, Bilfinger upholds the highest standards of safety and quality and generated revenue of €3.7 billion in financial year 2021.
