Bilfinger publishes Annual Report for financial year 2017

Bilfinger SE today published its Annual Report for 2017. Preliminary figures had already been presented on February 14 of this year at the Annual Press Conference in Mannheim.

The Annual Report can now be accessed at www.bilfinger.com. It is available in both German and English.

Bilfinger is a leading international industrial services provider. The Group enhances the efficiency of assets, ensures a high level of availability and reduces maintenance costs. The portfolio covers the entire value chain from consulting, engineering, manufacturing, assembly, maintenance, plant expansion as well as turnarounds and also includes environmental technologies and digital applications.

The company delivers its services in two business segments: Engineering & Technologies as well as Maintenance, Modifications & Operations. Bilfinger is primarily active in the regions Continental Europe, Northwest Europe, North America and the Middle East. Process industry customers come from sectors that include chemicals and petrochemicals, energy, oil and gas, pharmaceuticals and biopharma, metallurgy and cement. With its 37,000 employees, Bilfinger upholds the highest standards of safety and quality and generated an output volume of €4.2 billion in the 2016 financial year.
