Agenda

1. Bilfinger Berger Group – Overview

2. Profitable growth in Services

3. Earnings enhancement in Construction

4. Adding value in Concessions

5. Dedicated to creating value - Outlook
The Services segment comprises the businesses of Industrial Services, Power Services and Facility Services.

- **Industrial Services**: 2008e: € 2.6bn
- **Power Services**: 2008e: € 750m
- **Facility Services**: 2008e: € 950m

2008e figures: output volume
Bilfinger Berger Industrial Services is a leading industrial services provider for the process industry in Europe and the United States.

Bilfinger Berger Services Australasia is a provider of services for the gas, water, power and mining industries as well as for road maintenance in Australia.

A fragmented competitive environment allows for further acquisition opportunities.
Bilfinger Berger Power Services is focused on pressure parts of fossil and nuclear power plants (boiler, high-pressure piping, etc.)

- Strong market position in Germany and selected European countries
- Growing activities in Middle East and South Africa
- Rising global demand for energy, the increasing need for rehabilitation and new power plants all provide the Power Services division with excellent perspectives for the future
Bilfinger Berger Facility Services has its strongest foothold in Germany:

- Provides integrated facility management with focus on technical facility management and property management services
- Services go beyond “classic” areas: Focus on activities with higher barriers of entry – soft facility management (cleaning, security, catering etc.) is typically sub-contracted when full-service package is provided

Centennial is a leading player in U.S. job order contracting business
Dynamic development in all three divisions

Highlights 6m 2008

- Output volume in
  Industrial Services: €1,273 million
  Power Services: €370 million
  Facility Services: €365 million

- Organic growth rates: 8% in output volume, 25% in
  EBITA

- Successful expansion of activities:
  Acquisitions of services companies with a total
  enterprise value of approximately €500 million since
  beginning of this year

Outlook 2008

- Output volume €4.3 billion

- EBITA will increase significantly

Bilfinger Berger – Dedicated to creating value

- **Value driver GROWTH**
  Our services business will continue to enjoy dynamic growth, both organic and through acquisitions. We will continue our involvement in high-margin concession projects and steadily expand this business.

- **Value driver PROFITABILITY**
  In Services we aim to maintain or even increase achieved margin levels.
  In construction, our focus remains on margin improvement.

- **Value driver VISIBILITY and FLEXIBILITY**
  Bilfinger Berger has greatly reduced its former dependence on economic cycles and fluctuating earnings contributions.
  This development will continue.

- **Value driver SOLIDITY**
  All our activities are supported by strict risk management.
  A sound balance sheet with gearing potential supports further business development.
