(FY 2010: € 8.1 billion)
- Increase in EBIT to an amount of about € 350 million
(FY 2010: € 341 million including € 21 million capital gain in Concessions)
- Substantial increase in net profit to approximately € 380 million due to capital gain from sale of Valemus Australia
(FY 2010: € 284 million)

Acquisition strategy

- Financial scope of at least € 1 billion
- Continuous market screening for potential acquisitions in services
- All three services segments are target areas, with priority on Industrial and Power Services
- Industrial Services: regional expansion including emerging markets
Power Services: regional expansion including emerging markets and technical expansion
Facility Services: regional expansion with focus on Europe
- Acquisition criteria unchanged:
Strategic fit, good management available
ROCE > WACC and earnings accretive from the first full year

Key strategic objectives

Expansion in services

- Full service provider in Industrial, Power as well as in Building and Facility Services
- Focus on life-cycle approach
- Organic as well as external growth to further strengthen Bilfinger Berger's strong market position

Limitation of volume in construction

- Limitation of volume
- Focus on projects in Europe with adequate risk-and-reward profile
- Leverage technical expertise

Further development of Concessions

- Investments in selected projects
- Active portfolio management
- Volume of committed equity to be maintained at the level of €400 million
